

SPONSORSHIP OPPORTUNITIES

BUILD RELATIONSHIPS WITH TOMORROW'S LEADERS

When you sponsor **Impact Denver**, you'll meet emerging leaders who want to be on the leadership fast track and make an impact in the community.

By supporting a Leadership Foundation program like **Impact Denver**, you will:

- › Position your organization as a community thought leader by partnering with the oldest, most respected community leadership organization in Colorado
- › Move beyond networking, creating meaningful relationships over six months with young professionals from all three sectors
- › Build brand recognition that will be reinforced and activated by the relationships you build with Impact Denver participants
- › Bring value to your organization with connections that become business leads and new knowledge about community issues that could impact your industry

Why Impact Denver?

This six-month biannual program affords your organization maximum visibility and relationship-building opportunities with an audience whose average age is 32. You'll have the opportunity to exclusively sponsor or co-sponsor the event with a non-competing organization.
