

SPONSORSHIP OPPORTUNITIES

BUILD RELATIONSHIPS WITH TOMORROW'S LEADERS

When you sponsor Impact Denver, you'll meet emerging leaders who want to be on the leadership fast track and make an impact in the community.

By supporting a Leadership Foundation program like Impact Denver, you will:

- › Position your organization as a community thought leader by partnering with the oldest, most respected community leadership organization in Colorado
- › Move beyond networking, creating meaningful relationships over six months with young professionals from all three sectors
- › Build brand recognition that will be reinforced and activated by the relationships you build with Impact Denver participants
- › Bring value to your organization with connections that become business leads and new knowledge about community issues that could impact your industry

Why Impact Denver?

This six-month biannual program affords your organization maximum visibility and relationship-building opportunities with an audience whose average age is 32. You'll have the opportunity to exclusively sponsor or become a shared sponsor of the event with a non-competing organization.
