

# 2023 ANNUAL IMPACT REPORT

## EMPOWERING PATHS, LEADING FORWARD

At the Denver Metro Chamber Leadership Foundation, we empower paths and lead forward, shaping resilient leaders and driving community progress.

“As we reflect on our journey of empowering leaders and organizations for community and civic impact, I am humbled by the dedication and commitment of everyone who has contributed to our cause. Without your unwavering support, our work to strengthen communities and foster effective civic leadership would not be possible.”

– Jerome Davis, Executive Vice President of the Denver Metro Chamber of Commerce & President of the Leadership Foundation
